# Business Administration Transfer

This academic map is a suggested semester-by-semester guide to keep you on a clear pathway to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

## Semester 1
- **ACCT 108**: Computerized Business Applications (3 credits)
- **ECON 201**: Principles of Economics I (3 credits)
- **ENGL 101**: English Composition I (3 credits)
- **SPCH 104**: Speech Communication (3 credits)
- **MATH ---**: Math Elective (3 credits)

Total Credits: 15

## Semester 2
- **ACCT 105**: Principles of Financial Accounting I (4 credits)

- **SS ---**: Social Science Elective (3 credits)
- **HU ---**: Humanities Elective (3 credits)
- **BUSN ---**: Business Elective
- **MATH ---**: Math Elective (CHOOSE ONE)

Total Credits: 13

### About Developmental Courses
Developmental courses do not satisfy graduation requirements, but they are required for those who place into them and will appear on the student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:
- **ENGL 091**: Preparing for College Reading I
- **ENGL 092**: Preparing for College Reading II
- **ENGL 095**: Reading and Writing Seminar
- **ENGL 099**: Introductory Writing
- **MATH 001-003**: Prep College Math I-III
- **MATH 010**: Fundamentals of Mathematics
- **MATH 011**: Introductory Algebra
- **MATH 012**: Intermediate Algebra

### Route to Success
Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor and/or visit the online course search for availability.

### Ready to Go
Courses have no prerequisites or developmental courses.

### Semester-specific Course Offerings
Courses are not offered all semesters.

### Minimum Grade Requirement
Students must earn a minimum grade to remain in the program.

### Electives
For details on eligible electives, please see reverse.

### Taking 15 credits/semester or 30 credits/year
will help you stay on track to finish your degree in two years.
Program Notes

In year two, when choosing your four-year college, review your options for the business or math elective in semester four to ensure you will meet the requirements of the four-year college/university to which you are transferring.

To determine whether you should enroll in one of these courses, please consult the appropriate transfer agreement and/or contact the Admissions Office of the four-year school.

Math Elective: MATH 203 College Algebra or higher.
Note: Most four-year institutions require business administration graduates to have successfully completed pre-calculus. Students in the BAT program should select their math courses accordingly.

Other Electives: Students choosing a business, humanities, lab science, liberal arts, science, social science, or general elective can select from the Course Elective Guide at massasoit.edu/electives.

This program is intended for students who wish to continue their education to pursue a bachelor's degree at a four-year college or university. Students enrolled in this program may consider transfer opportunities through MassTransfer with Massachusetts state colleges and universities or other transfer opportunities at private institutions.

For more information about transfer opportunities, program pathways, course equivalencies, and upcoming transfer events, please visit massasoit.edu/transfer.

Some courses may have prerequisites, which are courses that must be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 64 credits and 20 courses is required for completion. The same course may not be used to satisfy two different course requirements.
