Program Notes

The Massasoit Community College Nurse Education program began in 1968 and graduated its first class in 1970. Massasoit offers nursing options both part time and full time. Our program is committed to providing an education based on professional nursing standards. Most of our graduates are employed in local health care facilities. The nursing program strives to assist students in realizing their full potential. The faculty and staff value respect, caring, esteem, nurturing, and critical thinking in each other, our students, and the community.

A CORI/SORI background check will be required for all students before clinical experience. Unsatisfactory CORI status will prevent students from participating in the clinical experience.

Nursing courses have both a theory and clinical component. A student must pass both in order to successfully complete the course.

Nursing I-E, II-E, and III-E: LPN students receive transfer credit for NURS 212 Nursing I, NURS 213 Nursing II, and NURS 214 Nursing III and are therefore not required to take them at Massasoit.

Graduates of the program are eligible to take the NCLEX Exam for Licensure for Registered Nurses. The program is fully accredited by the:

Accreditation Commission for Education in Nursing, Inc, 3343 Peachtree Rd, N.E., Suite 850, Atlanta, GA, 30326 | Telephone: 404-975-5000, Fax: 404-975-5020

Full approval has been granted to the program by:
Massachusetts Board of Registration in Nursing, 239 Causeway Street, Boston, MA, 02114 | Telephone: 617-973-0900

A minimum grade of C+ (78) is required in all nursing courses.

Math Competency: The math competency for graduation may be fulfilled by passing MATH 012 Intermediate Algebra with a C- or higher or by passing the computerized placement test with a score of 72 or higher.

Other Electives: Students choosing a liberal arts elective can select from the Course Elective Guide at massasoit.edu/electives.

Some courses may have prerequisites, which are courses that must be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 65 credits and 16 courses is required for completion. The same course may not be used to satisfy two different course requirements.
