This academic map is a suggested semester-by-semester guide to keep you on a clear pathway to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

### Academic Map

**Entering Fall 2019**

**Based on Full-time Enrollment**

**Nurse Education - Part Time**

**Associate in Science**

#### Semester 1

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>

**About Developmental Courses**

Developmental courses do not satisfy graduation requirements, but they are required for those who place into them and will appear on the student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

- ENGL 091 Preparing for College Reading I
- ENGL 092 Preparing for College Reading II
- ENGL 095 Reading and Writing Seminar
- ENGL 099 Introductory Writing
- MATH 001-003 Prep College Math I-III
- MATH 010 Fundamentals of Mathematics
- MATH 011 Introductory Algebra

**Route to Success**

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor and/or visit the online course search for availability.

**Ready to Go**

Courses have no prerequisites or developmental courses.

**Semester-specific Course Offerings**

Courses are not offered all semesters.

**Minimum Grade Requirement**

Students must earn a minimum grade to remain in the program.

**Electives**

For details on eligible electives, please see reverse.

**Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.**

---

**Congratulations**

You’ve Arrived!
Program Notes

The Massasoit Community College Nurse Education program began in 1968 and graduated its first class in 1970. Massasoit offers nursing options both part time and full time. Our program is committed to providing an education based on professional nursing standards. Most of our graduates are employed in local health care facilities. The nursing program strives to assist students in realizing their full potential. The faculty and staff value respect, caring, esteem, nurturing, and critical thinking in each other, our students, and the community.

A CORI/SORI background check will be required for all students before clinical experience.

Nursing courses have both a theory and clinical component. A student must pass both in order to successfully complete the course.

Graduates of the program are eligible to take the NCLEX Exam for Licensure for Registered Nurses. The program is fully accredited by the:

Accreditation Commission for Education in Nursing, Inc, 3343 Peachtree Rd, N.E., Suite 850, Atlanta, GA, 30326 | Telephone: 404-975-5000, Fax: 404-975-5020

Full approval has been granted to the program by the:

Massachusetts Board of Registration in Nursing, 239 Causeway Street, Boston, MA, 02114 | Telephone: 617-973-0900

A minimum grade of C+ (78) is required in all nursing courses.

Math Competency: The math competency for graduation may be fulfilled by passing MATH 012 Intermediate Algebra with a C- or higher or by passing the computerized placement test with a score of 72 or higher.

Other Electives: Students choosing a liberal arts elective can select from the Course Elective Guide at massasoit.edu/electives.

Some courses may have prerequisites, which are courses that must be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 65 credits and 16 courses is required for completion. The same course may not be used to satisfy two different course requirements.
