Program Notes

This is the first of two "stackable" certificates in security. All classes are available on-line making the program available to working individuals.

Security (SECU) courses can also be used as Criminal Justice electives, but the required CTIM course does not fit in the CJ program.

Some courses may have prerequisites, which are courses that must be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 12 credits and 4 courses is required for completion. The same course may not be used to satisfy two different course requirements.
