The art of science … the science of art.

Nov. 2 - Dec. 2, 2016

The Art of Science…The Science of Art brings together members of two prestigious organizations, the New England Society of Botanical Artists, and the Guild of Natural Science Illustrators New England. Experience two very different focuses that share similar creative disciplines.

Reception: Saturday, Nov. 12, 2016, 1:00 - 3:00 PM
